3.3.3. Each holder of a joint account is eligible to have complete access and authority to act on behalf of all the relevant Clients. All involved Clients will be bound by such actions of the joint account holder. The Clients thereof are also deemed as sole owners of the funds in the account and shall jointly have the authority to initiate deposits and request withdrawals. Each Client of the joint accounts must provide his/her proof of identification (the "POI") in compliance with our verification procedures.

3.3.4. You acknowledge that we will not be liable for any damage occasioned by the discrepancy, contradiction, or conflict of interests or instructions. The relevant Clients shall be jointly and severally liable on like terms.

3.3.5. All the relevant Clients can close the joint accounts subject to compliance with the conditions of account termination in these Terms. The termination of joint accounts does not absolve the relevant parties from completing their obligations under this contract.

3.3.6. The Client may request in writing to convert a joint account to an individual account, provided that all other Clients involved in the joint accounts agree in writing. The Clients or holders of the joint accounts shall continue to be liable for all obligations and responsibilities incidental to the joint accounts during the such period before the final conversion of the account.

You are liable for the damage or loss you may incur on granting access and authorization to any third party.

7.2.6. We have the discretion to accept, reject, restrict, and terminate the use and continuous access of the authorized third party to the trading account. Furthermore, we reserve the right to reject any transaction carried out by a third party on behalf of the Client.

8. Termination of Agreement

8.1. Cancellation of Services

8.1.1. Termination requests must be sent from the Client's registered email. The Company has the right to reject the submitted termination request if the Client did not use his/her registered identification data. Non-disclosure of accurate information, including the up-to-date email address, can be regarded as data falsification.

8.1.2. Each party may terminate the Terms of Use, provided that the termination or suspension shall be without prejudice to any rights that have accrued or any ongoing obligation to either party before termination. Where a party intends to terminate or suspend this term, he/she must send a notice by email at least fourteen (14) days prior to the proposed date of termination or suspension to the other party or as otherwise agreed. Furthermore, both parties acknowledge that terminating these Terms will not relieve either party from the applicable obligations.

8.1.3. All sums due shall become immediately payable in full upon termination of these Terms, including the required funds to close ongoing transactions and other charges that you may incur related to or arising from the termination of these Terms.

8.1.4. We retain the right to convert the Client's funds to settle his/her unfulfilled obligations upon termination of services, wherein we may also consolidate and set off the Client's balances.

8.1.5. You agree that terminating the Terms of Use also terminates all ongoing trades and orders. You consent that you may be denied further use of our website and your trading account with us once these Terms have been terminated.

8.1.6. We reserve the right to convert your funds to settle your unfulfilled obligations in the event of non-compliance upon the termination of the Terms of Use. We may also consolidate and cancel your profits if you do not comply accordingly with your obligations in these Terms.

8.1.7. The Client retains responsibility for any obligations that he/she assumed prior to termination, whether terminated by the Company or the Client. Accordingly, terminating these Terms does not relieve either party from performing the relevant obligations.

8.1.8. We have the exclusive right to implement termination procedures if your trading account is deemed inactive for a month or if you are unreachable in all forms of communication. We may also implement these termination procedures if your requested withdrawal amount is equal to the total balance of your account. Termination procedures include separate fees for inactivity and cancellation in case of unsettled obligations. In line with this, profits acquired from the credit funds or bonus funds can be canceled, where we will also deduct the bonus funds or credit funds from the total equity of your trading account.

8.2. Event of Default

8.2.1. The Company can declare an event of default if the Client is involved in any unlawful or prohibited activity or has failed to fulfill the obligations under these Terms.

8.2.2. Event of default may also occur in cases of incapacitation, absence, or death of the Client. In case of such contingencies, the successor of the Client's trading account shall be his/her first-degree relative.

8.2.3. We may also declare an event of default in case of force majeure with occurrences beyond the control of either party, preventing the relevant party from complying with its obligations. The force majeure events include national or international warfare, terrorism, labor dispute, lockouts, and civil disorder.

8.2.4. Event of default further comprises the acts of God such as earthquakes, tsunamis, typhoons, fire, epidemics, and other natural disasters.

8.2.5. Certain events, such as but not limited to electronic glitches unwilfully caused by the Company, market interruptions, and jurisdiction or regulatory sanctions, may also call for an event of default.

8.2.6. We are entitled to terminate the Terms of Use effective immediately in cases of the above paragraphs, wherein the Client will lose every right and access to the services and platforms of the Company.
